## China's Hidden 'Cultural Genocide' in Tibet; Crimes Against Humanity?

Then, when we experience pleasure, we are unable to fully enjoy it, for our attempts to grasp it completely and enjoy it to its fullness, or to intensify it, and our fear that it will come to an end too soon, cause pleasure to be replaced by anxiety, worry and avidity, all of which distract us from the pleasure and obstruct the acceptance that is the cause of pleasure.

## Dalai Lama's \$1 MILLION to back women

For instance, cultural distinctiveness can be eradicated, yet the group still survives. The last type of Awakening is, according to the Mahayogatantrayana, the manifestation of absolute truth qua Fruit. Since it would be extremely unfortunate and nefarious to corrupt the teachings with misinterpretations and illegitimate extrapolations, before making these explanations public, I consulted the Master Namkhai Norbu, who reassured me saying that it was fine to include them, although it would be good to indicate that they were derived from my own practice of the teachings.
