Rose Garden

It is a place that has signified an intimate and more casual side of the White House: John F. He is reputed to have met with Hoban then. He was on his way to visit troops in Fort Bragg, North Carolina.

Did Melania Trump 'Dig Up' the Rose Garden at the White House?

It stood there for 27 years before being moved to the Capitol and was the only monument to a president ever to stand within the immediate enclosure of the White House.
