STUDIES PRESENTED TO STERLING DOW ON HIS EIGHTIETH BIRTHDAY

Nonetheless, these also should probably be omitted from the infobox's notes section. And then go for a game of push ha'penny! I'm currently in a dispute with two IPs who keep reverting edits whom they aren't entirely aware of. I would imagine further effort would bring about further evidence and more detail.

So the trips are easy for me, because I take out a book and read. Numismatics Wikipedia:WikiProject Numismatics Template:WikiProject Numismatics numismatic articles This article has been rated as C-Class on the project's. As this edit stands, it seems to me, it's misleading - not through its being factually inaccurate but in its relying on half the facts and concealing the rest which is probably worse than being wholly inaccurate! After several hemorrhages during the last month of her life, of stomach cancer on December 7, following an illness that lasted 5 years and 3 months.
