The Story Behind The Song: Turn It On Again by Genesis

Duke, meanwhile, gave Genesis their first No. When guitarist Steve Hackett quit in 1977, Genesis were down to a trio, but scored their biggest hit single yet with a simple love song, Follow You, Follow Me. Gabriel agreed to swap places with Collins while he sang the big hit.

Spinner

Yet despite its memorable hook and chorus, Turn It On Again was a Trojan horse — listen closer and you could hear the quirky Genesis of old in its offbeat rhythm.
