Study Law Online

Politics Prime Minister Malcolm Turnbull, Federal Opposition Leader Bill Shorten, Foreign Affairs Minister Julie Bishop and independent Senator Nick Xenophon are among the many Australian politicians with law degrees. Once a year during the summer, for high-potential undergrad students who have limited financial resources, the U of T Faculty of Law offers the Law School Access Program LSAP.

Why study law: Top 10 benefits of becoming a lawyer

Other schools, such as New York's, use a much more demanding grading system in which precise percentages of students are to receive certain grades. Those who can succeed in the rigorous French law school programs are able to practice law throughout Europe with the foundation of the strong civil law training that comes from the French educational system. Established lawyers looking to move into jobs outside the law also have many doors open to them, according to Laura Talintyre, a director in legal recruitment firm Cicero.

Types of Law Degrees & Specializations

It is also an indicator of the nature of societal complexity and its attendant problems of integration. A business lawyer may work for a law firm and have multiple clients, or be hired by a single company as their in-house employee. Support wikiHow's Educational Mission Every day at wikiHow, we work hard to give you access to instructions and information that will help you live a better life, whether it's keeping you safer, healthier, or improving your well-being.

10 Reasons to Choose a Career in Law

Apply to law school Do the research to determine the law schools to which you should apply There are 18 common law schools in Canada, eight of which are in Ontario, and hundreds more in the US and around the world. Whatever your motivations for studying — to become a solicitor or barrister, develop new skills, inform your current job or change direction completely — we can help you and take control of your future.

10 Reasons to Choose a Career in Law

In addition, many French law programs also study common law, so their graduates are well equipped to apply to the bar or gain professional

entrance into other countries where civil law is not the main type of law practiced. They can be used as an independent certification, and some even offer academic credit to use towards a degree.
