THE 10 BEST Things to Do in Kenya

While many of the European estates have been divided and reallocated to small farmers since independence, the area is still dominated by giant tea plantations.

Kenya GIS Data

Its effects are said to have been discovered by the legendary third millennium BC Chinese emperor Shen Nung, who was apparently taking a cup of hot water in the shade of a shrub when one of the buds fell into it, making him an invigorating drink. He was arrested by the British in 1922, provoking a popular protest.

Kenya Travel Guide

Wildlife includes lion, cheetah, wildebeest, hippo and gazelle, but the park is most famous for the large herds of African bush elephants which are attracted to the swamps.

10 Top Tourist Attractions in Kenya (with Map & Photos)

While and are essentially route-hubs with little for visitors to do, has a couple of good excursions, the tea capital is certainly worth an overnight stay, and has some interesting museums.

Facts about Kenya

More recently, parts of Kisumu were badly hit during the post-election clashes in 2007—8, though recovery since then has been rapid. Historically, its only fame came in the 1930s, when gold was discovered nearby and more than a thousand prospectors came to the region.
