The History of The Decline and Fall of the Roman Empire by Edward Gibbon

Where a slave is jointly owned by Maevius and a peculium castrense, and the son under paternal control to whom the peculium belongs dies while in the army, and, before the appointed heir enters upon the estate, the said slave stipulates, the entire stipulation will enure to the benefit of the partner who in the meantime is the sole owner of the slave; because the estate, not yet being in existence, is not susceptible of division. The second part, in thirty-six Causes, 'treats of ecclesiastical courts and their forms of procedure. This Codex has been lost, but a revised edition of 534 exists as part of the so-called.

The Digest or Pandects : Book 45 (Scott)

The objective was to collect, review and present in an abridged form the entire mass of Roman law contained in the writings of the classical jurists. Use and habitation were lesser of the same general nature. .

Chapter XLIV

It is considered to have recovered its natural liberty, if it has either escaped out of your sight, or if, though not out of your sight, it yet could not be pursued without great difficulty. By the early 7th century, the official government language had become Greek during the lengthy reign of 610—641. If Titius places another man's plant in ground belonging to himself, the plant will belong to Titius; on the contrary, if Titius places his own plant in the ground of Maevius, the plant will belong then to Maevius---that is if, in either case, the plant has taken root; for before it has taken root, it remains the property of its former owner.

The Justinian pandects, their origin, progress ...

The source of such powers, however, was always an act of state. The civilians of the reign of the Antonines had studied the works of their

predecessors; their philosophic spirit had mitigated the rigour of antiquity, simplified the forms of proceeding, and emerged from the jealousy and prejudice of the rival sects.

Roman law

Likewise, if anyone desires to bind himself, let him order that this shall be done, and he will be bound by his order.

The Digest or Pandects : Book 45 (Scott)

I answered that the stipulation is valid in both instances. Where the intention is not evident, we must adopt the opinion of Sabinus, and hold that the first Kalends of January were meant. The Institutiones are largely based on the Institutiones of
