We ask only that you keep Elijah List website, email contact info, and author contact information intact. Since this definition of God lies at the heart of our understanding of Christ, and the way in which the life of the Christian Church is organized, then to that degree the whole Christian enterprise is tottering. As the Apostle begins this next section of the practical application of redemptive theology, the thrust of his argument is simple: Christians are members of a body—the Body of Christ—who are each endowed with spiritual gifts in order to humbly minister to each other.

**Coming: Supernatural Miracles in the body of Christ! ~ by Geraldine Fisher**

Christ is building His church and He commands every member to build with Him.
