The Importance of Picture Books for Learning

Recently married, with adorable baby twins, things seem perfect for Stephanie and Patrick until an allegation is made about his first wife: that he murdered her. When Fiona receives an invitation to come to Orkney from her best friend, Madison, she arrives and discovers Madison is missing and her house is stripped bare. Underpinning the simple allegory of unlikely triumph is a deeper reflection on our present-day anxieties about whether or not machines — gadgets, robots, algorithms — will replace us.
