The old bamboo

The two cases of Nokiba and Utsusemi offer much needed complexity to this paradigm, by accounting for both feminine desire and resistance. Genji cried out in surprise. The very familiar image of perspiration recalls the porous, penetrable feminine body highlighted in the Utsusemi episode.

Nausicaä

Behind my linguistic choices is the attempt to separate the phenomena of sexual violence and rape in the Heian and Kamakura societies, which saw the production and consumption of the tales discussed here, from the phenomena of sexual violence and rape as existing in the world of the tales. Capacity presupposes several aspects, such as the right age, the lack of mental disease or irrationality, the absence of intoxication and the presence of a minimum self-control.
