### US Sugar Policy: Not So Sweet for the Economy

It is 200 to 700 times sweeter than table sugar sucrose , and it does not contain any calories. Committee on Ways and Means. Although this legislation only specifically forbids the USPS from deliveries, it included the and extravagant fees now required for all shipments.

### Opinion: The U.S. spends \$4 billion a year subsidizing 'Stalinist

The graph reveals a number of things related to the world sugar market. Remind the students of the contention that has existed for years between the political parties in Congress. Senators Franken and Rubio have rarely ever been on the same side of an issue, so it is highly unusual for them to be agreeing on a piece of legislation.

### United States Sugar Program

Indicate to the students that the sugar that they enjoy in their treats and beverages comes from a market that has had a lot of government attention since the Great Depression. As a final exercise, have students respond to the following question in a full paragraph. Once the processor decides to make a draw on the loan program, it can a sell the refined sugar on the market and repay the loan from the proceeds or b deliver the collateral sugar stock to the government and thereby satisfy the loan obligation.

### Federal Motor Carrier Safety Administration (FMCSA) Eliminates the Federal Diabetes Exemption Program

Why is there so little public awareness of this generous Programs protection of such a ubiquitous product as sugar? For the first time in 23 years, Congress passed a slight loan rate increase in the 2008 Farm Bill to help sugar producers deal with skyrocketing input costs. In 2013, Mexico

exported more sugar to the United States than all other export sources combined. Democrats in the state legislature seemed to have forgotten sage advice from former President Obama.

### **The U. S. Sugar Industry**

FDA would also forward the GRAS notice to FSIS to evaluate whether the intended use of the substance in meat or poultry products complies with the relevant statutes that are administered by FSIS.
