Once a spring fling for rowdy college students, Daytona Beach has become a year-round resort haven for families, boaters, and many others. Edited by John and Leslie Kettlewell and also published by International Marine, this book has reproductions of all the NOAA charts, as well as other helpful charts and information.

More Florida Boating Stories: A few tips to narrow your search and to make a sound decision. Offering unique, mile-by-mile descriptions and accurate navigation advice, the Moellers describe more than 300 marinas and nearly 100 opening bridges, and provide concise instructions for negotiating more than 100 tested anchorages.

The Intracoastal Waterway, Norfolk To Miami 6th Ed. 2010

John Kettlewell has cruised the waters between Labrador and the Caribbean with his wife, Leslie, for almost 30 years, often living aboard for long extended periods. The cruise down to Daytona Beach is typically quiet and interesting with many smaller facilities and attractions.

Florida's Intracoastal Waterway

All make for great stops in this interesting part of Florida. Founded in 1957, Maryland Nautical Sales is one of the largest nautical chart agents in the United States.
