The topics are as diverse as the long century itself.

Civilization, Modern > 19th century

This book is an attempt to find the central nerve of nineteenth-century culture, to discover the problem which unifies the most important cultural documents in the century's philosophy, literature, painting and music. ~ ThriftBooks: Read More, Spend Less. Philadelphia: Chilton Book, 1965, 339 pp.

The terror of meaninglessness that he discerns here is echoed in the chapter on Carlyle who views human life as issuing from mystery and proceeding in chaos, protected only by self-deception.

Morse Peckham

An account of modernization and technological innovation in nineteenth-century Brazil that provides a distinctly Brazilian perspective. Any help we can get in understanding how to deal with it is bound to be of value.
