Romanticism in Literature: Definition and Examples

In England landscape gardening was used to express the romantic aesthetic by means of deliberate imitation of the picturesque in nature. Romanticism was less pronounced in sculpture, and in architecture it was only vaguely reflected, primarily in the landscape gardening of parks, the Gothic revival style, and the design of small structures, which revealed a proclivity for exotic motifs.

Romanticism in Literature: Definition and Examples

All fields of human thought and creativity were to contribute to a revolution of existence, were to proclaim the liberty of the individual with all of its consequences, from triumphant omnipotence to despairing loneliness. Novels, short stories, and poems replaced the sermons and manifestos of yore.
