Holy Bible

But for not a few books, and especially those which among the Hebrews are composed in verse, three other editions have been added, which are called the fifth, sixth, and seventh translations; they are considered authoritative though the names of the translators are lost. In February 2014 a digital facsimile of the Codex and podcasts about the manuscript were available from the British Library.

Holy Bible

Hymn to Enlil, the air-god. Based on descriptions given of other churches built at a similar time it is possible to understand something of how Wilfred's restored church at York would have looked to the 7th century worshippers who entered it. The spine may show signs of wear.

Embossed leather binding 1828

Contemporary blindstamped brown calf, elaborately tooled on both covers. The library was founded by. London: Fine Art Society, 1973.

The Holy Bible, containing the Old and New Testaments, translated out of the original tongues; and with the former translations diligently compared and revised.: (1853)

Binding is tight and clean - good condition lightly scuffed.

Church Psalmist, Used

Monastic and cathedral libraries also freely exchanged copies of works as they were needed, along regular routes of circulation. The Alexandrian Library was associated with a school and a museum.

Category: Decorative Bindings

Hayter's series of reproductions of P. As a record of this experience Sickler published a pamphlet entitled t London, 1817.

Library Company of Philadelphia publications, 1834

This entry was last revised on 03-21-2014. This means that all activities implied or suggested by this culture—the Zoroastrian ideology of the recovery of ancient Avestan texts through the re- translation of Greek works and all that that implied—could be conducted as semi-official activities, or at least as condoned by official policy. It is the exceptions to this assumption that exercise Galen; in his excitement at finding a 'lost' work by an important author—one on the shelf but not in the Catalogue—or at proving the Catalogue's identification wrong by his analysis of a unique book, Galen is consciously presenting himself as the heir to the to Alexandrian and Pergamene library scholars of the Hellenistic age.
