Her business gives her connections to the right people she has put her hart and soul into it. It seems likely came up with the main groove or perhaps the music and put lyrics to it, either lyrics he already had or something he wrote after the music was done. This exciting expanded edition includes mixes of two of the album's hit singles along with a 12quot; single edit of the key cut, 'Getting to Know You Better.

### Meli'sa Morgan

Please listen to Frantic Moment and you will see what i'm talking about. Morgan's solo career skyrocketed with the 1985 release of her emotive reading of Prince's 'Do Me Baby,' a U. .

### “Do Me, Baby” by Meli'sa Morgan

Perspective said: laurarichardson said: databank said: —No it was Eddie Hazel.

### Do Me, Baby (letra y canción)

There is a really good documentary on P-Funk on PBS this month. Eddie's CD is hard to get a hold of now and it was not a big seller back in the day.

### Do Me, Baby

It's worth more than five stars. The implication was that Prince used the jam knowingly, although it's been speculated that jamming often leads to ideas getting fleshed out without the right credit as the band is just throwing crap at the wall.

### Ball Greezy

Especially before exposing to the media.
