All comments, suggestions and criticisms are most welcome! We give special thanks to Stephen Ellis, our Fact Checker Extraordinaire with an encyclopedic knowledge of Classical Music, as well as critic J. Advertise in the Fanfare Archive Want to offer your product or services to serious record collectors? But, since anyone can hire me, I have also played entrance fanfares for many non-celebrities, such as for the arrival of guests at private parties or for a special guest of honor who is being celebrated or is having a celebration. These types of fanfares are not only great for announcing people, but also work well for announcing grand openings, new products, new advertising campaigns, corporate banquets and meetings, special events, special sales, etc.
