## First America Homes

But the story is not so simple.

## Tracking a Mystery: When and How the First Americans Arrived

And Naia was a kind of water nymph.

## First America Homes

But some 25,000 to 15,000 years ago, the strait itself and a continent-size expanse flanking it were high and dry.

## Tracking a Mystery: When and How the First Americans Arrived

Premiered February 7, 2018 More Ways to Watch Transcript First Face of America PBS Airdate: February 7, 2018 NARRATOR: Deep underground, in a flooded Mexican cave system, divers make an amazing discovery. Nobody's been able to do that before.

## The first Americans: The untold story of the pioneers of the New World

See also: , , and The or , is the earliest classification term referring to the first stage of human habitation in the Americas, covering the epoch. Scientists have long assumed that these earliest people must be the ancestors of today's Native Americans, so he was surprised. For Native Americans, he became known as the Ancient One, and five clans, notably the Confederated Tribes of the Colville Reservation, wanted to have him ceremonially reburied under guidelines determined by the Native American Graves Protection and Repatriation Act NAGPRA , which affords custodial rights to Native American artifacts and bodies found on their lands.
