Latest Guidance

Outdoor organised activities for children are limited to 15 under 12s which includes a maximum of 2 adult facilitators. By law, employers must take all reasonable steps to minimise the risk of the incidence and spread of coronavirus.

Coronavirus (COVID

Covered Entities - Topical fact sheets that provide examples of when PHI can be exchanged under HIPAA without first requiring a specific authorization from the patient, so long as other protections or conditions are met. On October 9, 2019, former President Trump signed Among other things, the Executive Order directed federal agencies to make active guidance documents available via an online guidance document portal. Providers may offer accommodation to customers in circumstances other than those detailed above, provided it is for an essential purpose.

Guidance on the Essential Critical Infrastructure Workforce

The guidance provides information to help you locate child care, find assistance to pay for child care, and connect you to additional supports for your family.

Guidance on the Essential Critical Infrastructure Workforce

While earlier versions were primarily intended to help officials and organizations identify essential work functions in order to allow them access to their workplaces during times of community restrictions, Version 4. Room service, including alcohol, is allowed as normal.
