Rapa Nui (Easter Island) and it's People

In 1888, Chile annexed the South Pacific Island but until 1953 it allowed a Scottish company to manage the island as a giant sheep ranch. The trip took 14 days.

Easter Island: A Popular Theory About Its Ancient People Might Be Wrong

JAMES COOK To early travelers, the spectacle of immense stone figures, was almost beyond imagining. From these samples, 22 no longer present on the island were shown to have existed at some time there. There are a total of 276 statues ready to walk to their ahu platform on the coast.

Filmmakers Show the World the Real Easter Island, a Wakeup Call with Hope

Continue Exploring Sacred Sites Explore a world of sacred lands and discover more than 100 site reports using our. The archaeologist and member of the 1955-56 Heyerdahl expedition, William Mulloy, returned to the Island four years later.

Rapa Nui people

It is very hard to see any traces of the tattoos on the right picture, something Stolpe also writes in his article 1899. This statue faced toward the interior, as had all the statues seen previously by European visitors.
