The Wind in the Willows Facts & Worksheets For Kids

Why not stay on quietly here, like us, and be jolly? Then he fetched them dressing-gowns and slippers, and himself bathed the Mole's shin with warm water and mended the cut with sticking-plaster, till the whole thing was just as good as new, if not better.

The Wind in the Willows Facts & Worksheets For Kids

A couple of feet of flood water, and he's got to move into hired lodgings; uncomfortable, inconveniently situated, and horribly expensive. As he gazed, something bright and small seemed to twinkle down in the heart of it, vanished, then twinkled once more like a tiny star. Accessories such as CD, codes, toys, may not be included.

The Wind in the Willows by Kenneth Grahame

The horizon became clearer, field and tree came more into sight, and somehow with a different look; the mystery began to drop away from them.

The Project Gutenberg eBook of The Wind in the Willows, by Kenneth Grahame.

Then a change began slowly to declare itself. Naturally a voluble animal, and always mastered by his imagination, he painted the prospects of the trip and the joys of the open life and the roadside in such glowing colours that the Mole could hardly sit in his chair for excitement. And now it was sending out its scouts and its messengers to capture him and bring him in.
