Creating biographies or improving upon them is a work in progress, and we welcome information from our knowledgeable viewers. The traditional vertical display of painting, its pictorial aspects, and its receding edges or frame remove paintings from the everyday to a kind of virtual reality.

Noel Forster

The course enabled students to explore the elements of visual art a process that became fundamental to Forster. He thought endlessly about the relations of paint and light, and talked with extraordinary clarity - and complexity - about making works of art.

CHELSEA space: #19 Noel Forster

His mischievous personality, part Don Quixote, part Ahab, had a magical, life-changing, transformative effect on many more than his fellow artists. Although his original intention was to draw straight lines, he gradually curved them until they became arcs generated by the length of his arms.

forster, noel heliopolis, to th

His work addresses the major problems of painting: colour, line, edge, volume, space, painting as object, the relationship of painting to the support, painting as a non-locatable, non-material floating field, the relationship to the wall and the relationship to the world.

Noel Forster

There are however some exceptions e. Other persons, seeing your entry, often add to the data.
