complacent acceptance of an only nominal freedom for the former slaves.

Teacher Rights

The usual remedy for breach of contract between a school district and a teacher is monetary damages. The communication methods should be accessible for all students, faculty and staff, including those with disabilities and limited English proficiency e.

Operating schools during COVID

Is my speech to colleagues during breaks or casual conversations protected? A teacher provides personal caring service to pupils by diagnosing their needs and by planning, selecting and using methods and evaluation procedures designed to promote learning. In , the Supreme Court ruled that public school officials can regulate school-sponsored student speech as long as there is a legitimate educational purpose for their action. When you cancel the account or delete the app, will the vendor delete all the student data that has been provided or created? However, if you use social media to comment about students, school or other work-related matters, or you use it to engage in what might be considered conduct impairing your functioning as a teacher, the First Amendment may not protect you.

Operating schools during COVID

It is not as clear whether the First Amendment would protect you if you had not been specifically instructed not to share your political beliefs.
