## **Implementing a Sleep Health Education and Sleep Disorders Screening Program in Fire Departments: A Comparison of Methodology**

Premium subscribers get access to longer-term data tracking and more in-depth analysis, as well as a sleep report that you can share with your doctor. Why not get the same effect with its mobil app? Results: The Expert-led SHP had the highest participation rate, greatest improvement in knowledge scores, and prompted more firefighters to seek clinical sleep disorder evaluations 41% than the other approaches 20 to 25%.

## **Neighbours save sleeping 89**

Make sure to inspect stringed lights and window ornaments annually for deterioration.

## **How Much Deep Sleep Do You Need?**

REM sleep Your first REM cycle of the night begins about after you fall asleep and recurs every 90 minutes. If you think there is a fire, feel the door and knob for heat before opening. Nearly 4000 Americans die each year in house fires and over 2000 are severely injured.

## **Can't Sleep? Here's 11 Surprising Causes You Need to Know**

A specially trained CBT-I therapist can help, but there are also apps available that teach you these important skills. If they have electricity, there's no water. Your breathing and heartbeat slow down, and your muscles relax.
