Modern American Women: A Documentary History.

**American Social Movements**

In the late 1950s Gibson, Lacy and Swain became county architects at Nottinghamshire, where there was a similar shortage of schools. A number of western states had already granted suffrage enfranchisement, or voting privileges — Wyoming 1890 , Colorado 1893 , Utah 1896 , and Washington 1910 — and the Democratic Party platform in 1916 called on the remaining states to do the same. Religious fundamentalism, neo-Nazism and ethnic nationalism, for example, have all been rooted in and spread by social movements Adamson 2005; Horn 2013.

**Democracy and sectarianism : a political and social history of Liverpool 1868**

The essential idea of unions was that while a single worker had no influence over a factory owner—one worker could easily be dismissed and replaced by another—all of the factory's workers acting together could unite and disrupt a factory's smooth operation by refusing to work unless their demands were met.
