I cannot tell how this helped me. A student of the Bible alone, and an unquestioning believer of its every statement as coming from the Lord; an evangelist bravely equipped for his responsible calling by years of personal experience with inquirers and doubters; a man of prayer, who was often in secret communion with the Lord of Hosts, refreshing his strength for the perpetual conflict of life, he was also, as the full fruition of these characteristics, a Christian closely conformed to the image of his Master by the indwelling Spirit of God, and because he had witholden no part of his nature from an unreserved consecration to his will. All Right or all Wrong.

Moody Quotes
