Surat Al Waqiah Arab Latin dan Terjemahan Indonesia

He had also revealed the Torah knowledge disclosed to Moses and the Gospel knowledge disclosed to Jesus. It is usually followed by another Name to signify the quality that becomes manifest through HU, in regards to the relevant topic , Hayy life itself and Qayyum everything finds life and subsists with HU. Allah creates what He wills! Godhood is an invalid concept; only Allah! And they will have no helpers.

Surah 094 Al

.

Ali

There is severe burning suffering for them. Protect us from burning remorse for not being able to duly evaluate your manifestations.

Ali

If you persevere and protect yourselves, their plot will never harm you.

Surah 094 Al

Certainly You are the Sami, the Aleem. And Allah will not inform you of the unknown Absolute Essence. No help will be given afterwards.

Sheekh Xasan Macalim Ibraahim Alwaajidi ، حفص عن عاصم

You will be rewarded in full for your deeds in the period of Doomsday the period following your biological bodily life. So believe that the Names of Allah created you and all the worlds, and believe in the Rasuls who have been revealed to inform you of this knowledge. Allah warns you to heed Him for He will definitely make you experience the consequences of your actions.

Sheekh Xasan Macalim Ibraahim Alwaajidi ، حفص عن عاصم

They had denied our signs the manifestations of the Names. There is great suffering for them. He cleansed you from the filth of duality and chose you above all the women in the world of your time! Allah does not like the wrongdoers! Allah is the Sami, the Aleem.

Surah 094 Al

On the contrary, it is bad! Allah does not like those who do wrong those who do not fulfill their duties to themselves and others. And their abode will be the fire. Some are people of faith, but the majority are deniers of the reality.
