During the late 70s and early 80s, Samye Ling benefited greatly from being the major Kagyu centre in Europe and one of very few Tibetan centres in the West.

## Shono, Kameyama, Seki, Sakanoshita, and Tsuchiyama, from the series Places on the Fifty

World War I had begun a little over a month, television was far in the future and some of the inventions that would have characterized the 20th century, such as airplanes, telephones or cars, were in the early stages of dissemination. The only exception to the rule is chan: in a casual context, some people, in particular, women, will refer to themselves in a childish third person.

Tsuneko is now 105 years old, and continues to take her images with an enthusiasm often unknown to people younger than her. Music was her first love, but it took vocalist TAEKO a long time to realize that it can also be a profession. The second visit of Khyabje Kalu Rinpoche, in 1974, was an important milestone.

This short overview is to help us recollect with gratitude all that has contributed to our fifty years of growth, to appreciate the kindness of the Buddha in giving his profound teachings, and of the Tibetan masters who have skilfully presented them here. Hew new album, Contemplation Flat Nine , her fourth as a leader, only solidifies that reputation.
