Beyond The Machine

Minor soiling to back and front covers. We go up to the door of the new log house. It takes an hour to do it, and there are many household cares; but what an hour that is! Don't you grow weary sometimes? They add much to the missionary's burden, and furnish unequaled opportunity for the exercise of the Christian graces of patience and self-control.

Beyond the Marshes by Ralph Connor

Here they cut out of the forest their home, and here they have lived amid the quiet, cool woods ever since, remote from the bustle and heat of the great world. If in doubt, we will always be cautious, and preserve the original spelling.

beyondthemarshes

We are invited to tea with an air of apologetic cordiality. In early spring they appear, and throughout the whole summer they continue in varying forms, but in unvarying persistence and ferocity.

Beyond the Marshes

For six months he has driven along the pitching trails and corduroy roads, drenched by rains, scorched by suns, and pursued by the flies. The content of this print on demand book has not been changed. The missionary of the Bonjour field found me standing bag in hand upon the railway platform watching my train steam away to the east.

Beyond the Marsh

And this sweet prairie idyll is surely one of those fragrant messages which lays its hold on us as we pause for a moment in the midst of our fevered lives and anxious thoughts, and step across the threshold of that chamber where we must needs put our shoes from off our feet, for the place whereon we stand is holy ground.

The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. We all have in us the beast feeling that shrinks from the weak and wounded; but when I look at Katie there is no shrinking in me. His eye is clear and dark blue, and has a look of intellect in it.

Beyond the Marshes, a Canadian novel on Apple Books

Born in farm country in southwest Ontario and educated in Toronto, he was ordained as minister in 1890.
