### 15 Fun Writing Activities For Kids

Create matching pairs by writing synonyms, antonyms, or vocabulary words and their definitions on the solid yellow pops.

### Fun and Easy Valentine Crafts for Kids

Because most package items or components are also sold separately and may be components of multiple packages, these items may not have the same inventory availability at any point in time. You may want students to do a second gallery walk after this to look at, double check, and discuss the added examples. HOT TIP 1: If students are at desks, the likelihood of them getting out of their seats to put in their name in front of their classmates is slim.
