## SWAT Responds After Woman Barricades Herself in Apartment Near Lake Shore Campus

This was an extraordinary woman.

### Herself

In response to this incident, additional legislation against sati practice was passed, first within the state of Rajasthan, then nationwide by the central government of India. An inscription in an urn burial from the 1st century CE tells of a widow who told the potter to make the urn big enough for both her and her husband.

### Ask Any: Difficult woman invited herself on our special trip

In the 10th century CE, Mahayana Buddhism became the officially sponsored religion. He was at loggerheads with Hindu groups which did not want the Government to interfere in religious practices. Yang notes that many studies seem to emphasize the young age of the widows who committed sati.

### Victoria police believe Tullamarine woman killed herself and three children

Centuries later, instances of sati began to be marked by inscribed memorial stones called Sati stones. The gifts from a sati were venerated as valuable relics, and in her journey to the pyre, people would seek to touch her garments to benefit from her powers.

Shrap, or curses, are also within the sativrata's power, associated with remonstrations on members of the family for how they have failed.

### Sati (practice)

She has not bought her plane ticket yet. Dozens of users of social media reacted to the video with amazement.
