Growing Medicine in Your Garden

The leaves are used to create capsules, tablets, and extracts, and when dried, can be consumed as a tea. Learn as much as you can about the herbs you are taking by consulting your doctor and contacting herbal supplement manufacturers for information.

Gardening safety

Strange, since most sources recommend the consumption of ginger after retinal detachment or surgery.

6 Party Drugs That May Have Health Benefits

Gardeners inhale the bacteria, have topical contact with it and get it into their bloodstreams when there is a cut or other pathway for infection. Cocaine was first isolated from the Coca leaf by German chemist Friedrich Gaedcke.

Garden docs: Prescription for healthy veggies

Read on to find out.

Why doctors are prescribing gardening for anxiety and depression, instead of medication

The best way to add flax seed is through your diet. Participants completed a stressful task and were then told to read inside or go outdoors and garden for 30 minutes.

Plant

Maybe you moved during seed starting months and want to be sure that you have a garden this year. Some of the references are clickable and some are found at the end of the article in the references section. Caffeine Used to treat fatigue and migraines, find caffeine in coffee beans, tea leaves, cacao pods, kola nuts and garana.

VeggieRx

Interesting fact Lavender was first brought to Provence, France, by the Romans 2,000 years ago.
