Most of the authors eloquently and directly address both transference and countertransference issues which may be a good review for sandplay therapists who have become more comfortable with contrasference.

**Supervision of Art Psychotherapy : Joy Schaverien : 9780415409605**

Case, Imagery in Supervision: The Non-verbal Narrative of Knowing. The book gets high marks for the range and role of movement modalities and supervision models. Topics include the narrative of imagery in supervision, enchantment, ambivalence, a topographical approach, engagement in supervision, and working with the network in art psychotherapy with children part II focuses on supervision in groups addressing training, difference and peer group image consultation, as well as supervision of experienced practitioners part III explores theory related to purposes and challenges in supervision and research.

### **Supervision Of Art Psychotherapy A Theoretical And Practical Handbook PDF Book**

Recognizing that practitioners are eager to incorporate sandplay therapy into their practice, Harriet Friedman and Rie Rogers Mitchell respond to the need for new information, and successfully translate the theories of sandplay therapy into supervision practice. Caroline Case is an Analytical Art Therapist working in private practice with children and adults. Lois Carey makes the case effortless by teaching lessons bound to be welcomed by any professional looking for new tools or open to fresh perspectives.
