### WPDOS

It did not need to be as awkward as it is. This brilliant improvement works in WordPerfect for Windows 6.

### windows 10 and word perfect 6

You can also use your mouse to drag all four edges of: the page top, bottom, left, and right margins , the borders of a graphic, and dialog boxes such as the Ctrl+W symbols.

### WordPerfect Software for Sale

In this scenario you might assume that there must be a font change somewhere in the body text area of the document, and if you cannot find one you would be left puzzled since you know you just changed the font with e. If any of the drivers, files, or suggestions on this site are of value to you or your business, please consider making a voluntary contribution to help pay the costs of maintaining the site.

### WordPerfect

Right click on the Status Bar to add a Date button if you don't already have one.
