The Tragic Real

As the group was talking yesterday of all that they had learned and experienced, several mentioned your performance as one of the highlights. Neither Bee nor May hold back from sharing their emotions, littering their emails with strings of exclamation marks or shouty subject lines. The Power of Women's Language and Laughter.

The Life of Jane Austen & Common Themes in Her Novels

The next day, though, she retracted her acceptance and fled the Bigg-Wither estate, not to mention her friends' anger, in shame and humiliation. I begin already to weigh my words and sentences more than I did, and am looking about for a sentiment, an illustration, or a metaphor in every corner of the room.

44 Jane Austen Quotes on Life, Love, and Friendship (2021)

What they can all agree on is that Austen, a writer at the height of her creative powers, died too young.

Talking About Jane Austen in Baghdad on Apple Books

Those like, and unlike me, are there in those pages. I started off not knowing if I would find this book a little boring, but I soon got into it and enjoyed reading about the women's lives. He failed her, however, when it came time to shape her legacy.
