Legal rights and responsibilities for young people

Young people and police Laws that apply to adults also apply to people aged 17 and under. This includes anything that makes you or another person feel uncomfortable, offended, intimidated or humiliated. You could get into very serious trouble with the law for creating, possessing or transmitting it, even if everyone involved in the photos or videos wanted to do it.

WHAT ARE YOUTH RIGHTS?

Send your modifications to our editors for review. These rights and many others, however, are denied to us because of ageism.

My rights as a child and young person

You should get the name and collar number of the officer you are complaining about, which should be displayed on their shoulder. In an emergency or if a crime is happening right now, call 999. Of course, even if young people were incapable in certain ways, this would not justify denying basic human and civil rights.

Your Rights and the Law

Another study estimated that approximately 30% of people aged 13-17 have reached than the average person aged 18 and older. Society assumes that young people are incapable of taking on most responsibilities, making good decisions and contributing to society in a meaningful way.

Rights of children and young people in healthcare

Young people are at the mercy of parents and older people. Children as well as adults have human rights. Having consensual sex You and your partner must both to having sex — that means agreeing voluntarily and with a clear mind.
