**Fanny Fern: An Independent Woman
by Joyce W. Warren**

Warren Rutgers University Press New Brunswick Wikipedia Citation Aboriginal, Torres Strait Islander and other First Nations people are advised that this catalogue contains names, recordings and images of deceased people and other content that may be culturally sensitive. I had stumbled onto the work of the first female newspaper columnist in the United States, and one of the most highly paid authors in mid-19th century America. And if ever there was a book that was the cornerstone of such movements, Ruth Hall 1854 is it.

Fanny Fern (Sara Willis Parton) (1811

She was born Sarah Payson Willis on July 9, 1811 in Portland, Maine to Nathaniel Willis and Hannah Parker Willis; she was the fifth of nine children.

The New York Ledger: History and Context

Sara Payson Willis Parton is buried in Mount Auburn Cemetery in Cambridge, Mass.

Fanny Fern: An Independent Woman by Joyce W. Warren

In this first modern biography, Warren revives the reputation of a once-popular 19th-century newspaper columnist and novelist. Her best-known work, novel Ruth Hall 1854 , was based on her life — the years of happiness she had with her first husband, the poverty she endured after he died, the lack of help from her male relatives, and her struggle to achieve financial independence as a journalist. Feisty and charming, she successfully combined motherhood and career before electricity.
