Miscellaneous Pieces in Verse and Prose 48. Why is the heaven

The uniform stile of tragedies is one reason why they affect so little.

Miscellaneous Pieces : In Verse and Prose (1770)

The pebbles which diversify my bottom, and make these rippings in my current, are pleasing objects to the eye of taste; and my simple murmurs are more melodious to the learned ear, than all the rude noises of your banks, or even the music that resounds from your stately barges. A love of what is uncommon and out of the way has often occasioned such extravagance in the representation of these characters as to disgust from their want of probability; but, where a due moderation is observed, and the peculiarities, though unusual, are such as really exist in nature, great entertainment may be derived from their exhibition. If you are attempting to cite a source that you can find neither on this page nor any of the others in the Chicago section, consult the CMOS or model your citation on the example that most closely resembles your source.

If you must say something be kind; use gentle innuendo. Night overtook him in this situation.

Lessons in Elocution: Or, Miscellaneous Pieces in Prose and Verse, Selected ...

A tolling bell calls to the temple; and every other circumstance belonging to it is imagined with great propriety and beauty. They, who would eagerly catch at a wretched pun, or a meager piece of plot, were certainly withheld from witticism and drollery by want of invention, not justness of taste.

Miscellaneous Sources // Purdue Writing Lab

The nymphs placed themselves at the table, and a numerous train of servants entering, served up the feast; delicious music playing all the time. I agree wit is fodder. The things which that rich soil did chiefly want.

Feeble wast thou then, my father! We appreciate it when clients turn to us again and again. Science may raise you to eminence, but I alone can guide you to felicity! And so the name and its possible origins became a vague memory, but a memory that surfaced recently, prompted by seemingly unconnected events. I feel uncomfortable about that — an uneasy sense of the presence of evil that I do not understand.
