Please see for further citation fields that may be required. But he had also exposed the opposition to a fresh charge, made by nearly every subsequent official speaker in the debate: Kamenev had unmasked the real motive of the opposition platform— personal jealousy and animosity against Stalin — and revealed the hollowness of the alleged arguments of principle on which it was supported. Following the , Piatnitsky became a government functionary.

## Post

Following his release, Piatnitsky returned to Germany, where he once again took up work for the Bolshevik Party, coordinating secret communications from the party center abroad to its network of activists inside Russia.
