Introduction

We have to speak it—God only knows why.

Introduction to Biblical Research

Your motivations speak to; your emotions speak to you; your body speaks to you, and it does all that, at least in part, through the dream. These are canonical patterns of Being, for people, and they deeply affect us, because they represent what it is that we will act out in the world. He has 50 different names, at least in part, of the subordinate gods—that represented the tribes that came together to make the civilization.

Introduction to the Bible and Biblical Problems

The book has its purposes and its limitations.

Christian Psychology: An Introduction & Biblical Analysis

First, it designates the part of Scriptural science which is concerned with topics preliminary to the detailed study and correct exposition of Holy Writ. During this year, two prize-winning essays were written in Copenhagen; one by , the other by , which advocated a complete rethinking of the way we approach the Bible and attempt to draw historical conclusions from it. The following are the principal Protestant writers who meantime have striven to stay the progress of the critical school by treating the questions of Biblical introduction on conservative lines: Hengstenberg died 1869 ; Hofmann died 1877 ; Hävernick died 1845 ; Keil died 1888 ; Bissell; Gloag; Godet died 1900 ; Westcott died 1902 ; Harman; Sayce; Sanday; Green died 1900 ; Dods; Kerr; Burkitt; Zahn; Mackay; Urquhart; and Orr.

General Biblical introduction (1937 edition)

It constituted a dramatic record of self-realization or abstraction. That teaches us to see. In the United States the movement, under the influence of Albright, counterattacked, arguing that the broad outline within the framing narratives was also true, so that while scholars could not realistically expect to prove or disprove individual episodes from the life of Abraham and the other , these were real individuals who could be placed in a context proven from the archaeological record.

Biblical Introduction

You have something like articulated knowledge, at that point.
