Daddy's Girl (1996)

No matter how many Danielle Steele books I read every single one is unique and amazing in it's own way!!!!!!!!!!!! It's been a couple of years since I read a Danielle Steel book. If you are a Danielle Steel fan, be sure to add this one to your list! During that stay, one of my cousins also tried to do things with me.

Daddy's Girl Lyrics

In her class is a student named Elizabeth Warren! Daddy's Girls is a beautiful story about 3 sisters whose ranch foreman father raised them as a single, widowed man. I have read her books forever. Then there is Kate, the oldest daughter, who gave up a life of her own to assist JT with the ranch.

Most of them are from landlords.

Daddy's Girl (1996)

Thank you to Netgalley and Random House Publishing for my honest review Daddy's Girls centers around the aftermath of a powerful rancher's death, primarily its impact on his three daughters, who inherit his enormous California ranch.
