### Why did the United States ally with the Soviet Union during World War II?

In effect, the Iraqi state left behind by America no longer exists. It was only a matter of time before the gap in economic output provided a decisive advantage on the battlefield. Seven of the remaining nations belonging to the Organization of European Economic Cooperation OEEC which administered the Marshall Plan, did not join the EEC but instead formed an alternative body, the EFTA.

### NATO's New Order: The Alliance After the Cold War

Contemporary international system accepts these three as valuable objectives to be secured in the 21st century. The Soviet Union seized back some bits of territory such as Bessarabia, which it had lost to Romania in 1919. Nevertheless, there was very little use of weapons on battlefields during the Cold War.

### Timeline of American Involvement in Wars

The nuclear weapons along with their impact continue to be the factor of international relations, though there is now an increasing awareness in favour of containment of nuclear proliferation and arms race through arms-control and disarmament measures.

### Rebuilding the world after the second world war

However, the UN Security Council continued to live still in the past with five permanent and 10 non-permanent members. Most of the states declared their resolve to secure and maintain the multipolar character of the international system. The populations were open prey for social upheaval.

### France And The United States: The Cold Alliance Since World War Ii

However, the NAM nations and scholars belonging to the Third World countries reject this view. They maintained control as Japan recovered from the war. The war had turned much of Western Europe into a battlefield, and the rebuilding of factories, public transportation systems, and

power stations progressed exceedingly slowly.

### **Alliance System**

The wars, often fought in Germany and with Germans on both sides as in the at Leipzig, also marked the beginning of what was explicitly called French—German hereditary enmity.

### **America: Drastic Changes 70 Years After World War II**

Similarly, we can quote the examples of Russia—U.
