**17 amazing facts about Madagascar, the island it took humans 300,000 years to discover**

She's as passionate about the work as I am.

**ETCETERA / How We Met: 56. Gerald Durrell and Lee McGeorge Durrell**

Then we might go to the market in Nimes together and have a coffee in the square, after which we come back and cook lunch.

**Remote River Expeditions**

Overall ratings are NOT an average of sub-ratings. It cannot be made public again.

**In search of Madagascar's creepy, cute, elusive aye**

But the aye-ayes remained elusive.

**The Aye**

After our group leaves, they will slink back into forest undisturbed and resume more traditional hunting techniques. They had a library in which there were books by this man Durrell.
