Settling disputes in Soviet society (1978 edition)

For example, if the current year is 2008 and a journal has a 5 year moving wall, articles from the year 2002 are available.

It has maintained its pre-eminence as one of the most important journals of its kind encompassing Human Rights and European Law. Note: In calculating the moving wall, the current year is not counted. The monographic literature inside and to some extent outside the Soviet Union had in many cases been contributed by men who were, in the older as well as the contemporary sense of the term, interested; it was often hard to hear the voice of reason over the harsh rasp of axes being ground to a dull edge.

In the past few years the study of the Soviet legal scene in the twenties has come into more favor. Moving walls are generally represented in years. They seemed to have been isolated from the recent past by the Great Purges, the War, and the late-Stalinist Terror.

Review: Settling Disputes in Soviet Society: The Formative Years by Leon S. Lipson

It continues to offer practitioners and academics wide topical coverage without compromising rigorous editorial standards.
