Romantic Gothic

The grotesqueness of its characters lay not in the dis-figuration of the body but of the mind, delving into the dark and twisted psyche of its characters.

Fictions of unease : the gothic from Otranto to the x

The Historical Dictionary will be useful for libraries that lack a reference guide for the Gothic or libraries looking to update their reference collection. One of the main effects of the emergence of a nascent consumer culture in Britain during the last decades of the eighteenth century was the growth of an increasingly powerful middle-class and an important side-effect of this general rise in affluence was an unprecedented increase in female literacy across class boundaries.
