Guidence of business environment

Any such excess of income over expenditure, expressed in Swiss francs calculated at the budget rate of exchange for that financial period, shall be used to reduce the contributions of Members in the following way: Members which paid their ordinary contributions in the financial period in which this surplus accrued shall have their share of the surplus deducted from their contributions assessed for the second year of the succeeding financial period; other Members shall not be credited with their share until they have paid the contributions due from them for the financial period in which the surplus accrued. . These breaks or the reduction of daily hours of work shall be counted as working time and remunerated accordingly.
