## The Art of Listening Film

The first thing I remarked to myself about VLOT was that they had no artificial boom or sizzle. In the old book it would tell you which cd track to listen to and then say at this minute:second there is this going on.

## Benefits of Music on Body, Mind, Relationships & More

It helps people , researchers found. Very few locatable tones escape these boundaries. It takes alot of energy personal and gas everyday bills to run a site like this.

He performed for ten years 1984-94 in the Irish folk ensemble Colcannon. But when I put the pedal down on VLOT I got the business end of dynamic range.

## The Art of Listening Film

Yet, the sad reality is that most of us lack this basic life skill. Many people think aloud and tend to grope toward their meaning. Music: The Art of Listening provides seamless access to the music referenced throughout the program.
