5 Ways to Teach Steady Beat

Together we will can work on the basic principles and tools to play the piano, setting a healthy technique but also cultivate your personal sense of music. We intuitively know that it is much better to 'feel' rhythm, as well as in knowing how to count it. In my experience, this online teaching works surprisingly good, and these are definitely the best times to start making that thing you never found time to start with but you would love to do.
