Kyou no 5 no 2 (Today in Class 5

Araki does not approach things from the same angle. By contrast, agricultural communities that were located in the crossroads of competing territorial claims were more likely to supply increasingly large revenues in exchange for protection. Peasants were aware that, even if their duties remained logistical, war drew down their resources.

A bibliography

By the middle of the sixteenth century, many of the regional lords warring states daimyō had secured their power within their regions. The hero is not, however, merely at the junction of concurrent desires.
