**Religion and culture in Europe: law, policies and realities in: Journal of Citizenship and Globalisation Studies Volume 2 Issue 1 (2018)**

Jesus, a carpenter before he began his ministry, served as a role model. For this reason, one has to recognize that there is no place for Christianity in the neo-pagan religions.

## Academic study of new religious movements

The most successful author of RE textbooks in his day, Youngman was commenting on the qualities RE teachers needed to negotiate the lowly status of RE as a curriculum subject, and the contested nature of religion in postwar Britain. Islamic reason imposed its hegemony from 660 to about 1200 over the whole Mediterranean basin on which Hellenistic Greece and Rome had already left their mark; it even extended that hegemony to vast areas of Asia and Africa and rooted it in the Arabic language, in the Caliphate and the regimes that replaced it, in works of civilization, and in an anthropology and a metaphysico-religious framework experienced as an imaginary and cultural extension of the Koranic textual corpus.

## Academic study of new religious movements

He was also a member of the Commission Internationale de Psychologie Religieuse Scientifique. We understand spirituality on the one hand as traditional religious reflection on personal experience, and on the other as the spiritual dimension of institutionalised religions.

## Construction of the Concept of Religion in the United Nations' General Assembly: From Human Rights to Dialogue and Harmony

This conviction must guide each one of our meetings.
